

## Direct mounting foot type DF-EMV / DFZ-EMV

### Product information

The steering components in today's machine, plant and control cabinet installations are becoming more and more complex. A good EMC concept therefore gains increasing importance. Murrplastik earthing and cable shielding products are designed to meet the demands for low bleeder resistance at high frequencies. Murrplastik products are characterized by their very easy handling.

- Direct mounting with M4, M5 or M6 bolt
- SC-EMV / MSC-EMV shield clips universal support bracket
- Smaller model range because of the variable loading options
- Very compact design
- Strain relief with cable ties (DFZ-EMV)

### Information, conformities and approvals

Article	Order No.	Color	Strain relief	PU pcs.
DF-EMV 4	87601082	Material color	✗	10
DF-EMV 5	87601086	Material color	✗	10
DFZ-EMV 4	87601080	Material color	✓	10
DFZ-EMV 5	87601084	Material color	✓	10
DFZ-EMV 6	87601087	Material color	✓	10

### Material properties

Zinc-plated spring steel

### Assembly method

---

## Direct mounting foot type DF-EMV / DFZ-EMV

---

### Classification

ETIM 9: EC002623  
ECLASS 14: 27182804  
UNSPSC 26.0801: 39121613
