

Hook-and-loop tape type KB-fix

Product information

The KB-fix hook-and-loop tape is made of Polypropylene and Velour Polyamide. It serves as a mounting aid in the fields of electrical and pneumatic installations, for instance in steering and control cabinets, on machines and/or residential installations, for consumer applications and much more. The hook-and-loop fastener strips are available on a 25 m (82.02 ft) roll and are cut as required. Particular benefits of the KB-fix hook-and-loop tape are:

- Very simple handling
- Fire classification V2 per UL94
- Does not constrict sensitive cables such as fiber optic cables or pneumatic hoses
- Can be opened and closed hundreds of times
- No injuries possible from sharp edges, as from shortened cable ties
