

## cablquick<sup>®</sup> FDA type 90 (90x221 mm)

### Product information

Efficient connection technology for terminal boxes, control cabinets for tool-free introduction of actuators, sensors, measuring and control instrumentation, optoelectronic, pneumatic cables and drive technology into a control panel. KDPs of product group 90 can be fitted directly into the standard cut-outs of Rittal cabinets. These adapter plates can be configured individually.

The FDA stainless steel version is particularly suitable for use in the food and pharmaceutical sectors. Integrated threaded bolts mean that no screws are visible from outside. Mounting set included in delivery.

V4A : 1.4571  
FDA compliant
