

Sealing plug type VST

Product information

VST sealing plugs are used to seal cable grommets (KDT/ZE, KDT/ZE+, KDT/X, etc.) and multi-line inserts for cable fittings not equipped with cords. They provide a secure seal for not or no longer needed openings.

Information, conformities and approvals

Article	Order No.	Color	Ø mm	PU pcs.
VST 2mm	87822010	Red	2	50
VST 3mm	87822012	Red	3	50
VST 4mm	87822014	Red	4	50
VST 5mm	87822016	Red	5	50
VST 6mm	87822018	Red	6	50
VST 7mm	87822020	Red	7	50
VST 8mm	87822022	Red	8	50

Material properties

Polyamide

Thermal properties

-40 °C - 100 °C

Sealing plug type VST
