## Material properties

Polyamid PA6

# Cable tie rail type KBL

## Thermal properties

Temperature / temperature range

-40 °C – 80 °C

## Fire properties

Fire classification

V0

## Technical information

Halogen-free

LABS free

According to ISO 4892-2

## Assembly method

## Conformity

RoHS (EC Directive 2011/65/EU)

## Classification

ETIM 10: EC000322
ECLASS 14: 27400604
UNSPSC 26.0801: 39121719

## General information

Made in Germany
