Type m-cut

Product information

With the corrugated conduit cutter type m-cut, the cable protection conduits from Murrplastik can be cut to length easily and safely.
The application can be used by both the right and left-handed.
A sturdy double-edged blade has been used to achieve perfectly cut edges.

- Furthermore, the corrugated conduit cutter features the following advantages:
- Extremely easy handling
- Faster and more secure blade exchange -> blades are available as spare parts
- Low weight
