

## Strain relief type KS-fix

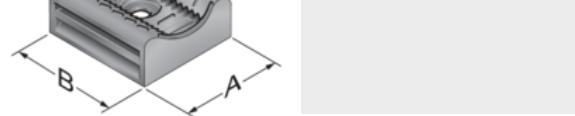

### Product information

The hook-and-loop base serves as installation aid for carefully fixing wires, cables and hoses. The base can be equipped at various lengths without tools by just using our hook-and-loop tapes.

The hook-and-loop base is designed for direct mounting, using countersunk screws.

- Hook-and-loop tapes at variable lengths
- Gentle wire fixing without constrictions
- Reusable
- Cable bundles can easily be expanded
- Easy handling
- Reduced risk of injury compared to trimmed cable ties
