

Mounting foot with strain relief type MFZ-EMV

Product information

The steering components in today's machine, plant and control cabinet installations are becoming more and more complex. A good EMC concept therefore gains increasing importance. Murrplastik earthing and cable shielding products are designed to meet the demands for low bleeder resistance at high frequencies. Murrplastik products are characterized by their very easy handling.

- Assembly with tools on 35 mm top-hat rail
- SC-EMV / MSC-EMV shield clips universal support bracket
- Small model range because of the variable loading options

Information, conformities and approvals

Article	Order No.	Color	Strain relief	PU pcs.
MFZ-EMV	87601030	Material color	✓	10

Material properties

Zinc-plated spring steel

Assembly method

Classification

ETIM 9: EC002623
ECLASS 14: 27182804
UNSPSC 26.0801: 39121613

All details given in our sales brochures and catalogues, as well as the information available online, are based on our current knowledge of the products described. The electronic data and files made available by Murrplastik, particularly CAD files are based on our current knowledge of the product described.
