

Type PR/SV-T

Product information

The PR/SV-T protector is made from specially modified polyamide 6. The material is free of halogens, phosphorus, and cadmium. The protector serves to compensate for torsion in the cable protection conduit and is also used as impact protection and connector. The PR/SV-T protector features the following advantages:

- Connects broken hoses quickly and easily
- Flat design
- Easy installation with sliding lock and optional retaining screw
- High tear-out strength
- Protection against conduit abrasion

Information, conformities and approvals

Article	Order No.	Color	Suitable for Murrflex	A mm	C mm	PU pcs.
PR/SV-T 70	83691300	Black	NW70	109.5	90	1

Chemical resistance

Resistant to:

- Weak acids
- Lyes
- Fuels
- Alcohol
- Mineral oils
