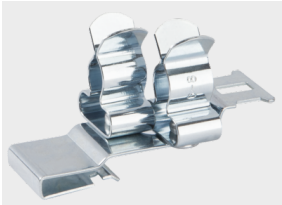
# Double clip for busbar type DCS-EMV / DCSZ-EMV



## Product information

The steering components in today's machine, plant and control cabinet installations are becoming more and more complex. A good EMC concept therefore gains increasing importance. Murrplastik earthing and cable shielding products are designed to meet the demands for low bleeder resistance at high frequencies. Murrplastik products are characterized by their very easy handling.

- Assembly without tools on 10x3 mm bar
- Less warehoused parts
- Very compact design
- Strain relief with cable ties (DCSZ-EMV)

## Information, conformities and approvals
