

KWI terminal block label

Product information

KWI – for terminal manufacturers Wieland, ABB Entrelec, D+E, Legrand, Sprecher + Schuh, Telemecanique and Wago.

High-quality, halogen-free snap-in label plates. Labels available for mounting individually or in strips.

The large printable area at the top allows room for individual project and terminal block reference, without the need for additional organizational systems.

Label plates designated as "5 - 6 mm-grid strips" can be adapted to terminal block widths of 5 mm or 6 mm by means of an extension spring joint.
