### Material properties

Polypropylene (PP)

### Protection

Protection class

IP65

### Fire properties

Fire classification

acc. to UL94: V0

### Chemical resistances

Resistant to:

Alcohol  
Greases  
Fuels  
Lyes  
Mineral oils  
Weak acids

### Classification

ETIM 9: EC002624  
ECLASS 14: 27182815  
UNSPSC 26.0801: 39121312
