

Securing rivet type BN

Product information

Plastic expansion rivets for the quick installation of components, e.g. cable ducts. Assembly tool BNW is optimally adjusted to the securing rivets. Only this tool brings out the full economical effect of the BN securing rivet.

Information, conformities and approvals

Article	Order No.	Color	Hole mm	Shaft length mm	Fastening thickness min. mm	Fastening thickness max. mm	PU pcs.
BN 1	87621410	Gray	3	9	3	7.5	500
BN 2	87621412	Gray	4.5	10	3	8	500
BN 3	87621414	Gray	6.5	15	4.5	10	1000

Material properties

Hostalene

Thermal properties

Temperature / temperature range

-60 °C - 80 °C

Conformity

RoHS (EC Directive 2011/65/EU)

Securing rivet type BN

Classification

ETIM 9: EC002377##
ECLASS 14: 23120409
UNSPSC 26.0801: 31162210

General information

Made in Germany
