KSI terminal block label

Product information

KSI - for terminal manufacturers Siemens.
High-quality, halogen-free snap-in label plates. Labels available for mounting individually or in strips. The large printable area at the top allows room for individual project and terminal block reference, without the need for additional organizational systems.

Material properties

Polycarbonate (PC)

KSI terminal block label

Thermal properties

Temperature / temperature range

-40 °C – 130 °C

Fire properties

Fire classification

V0

Technical information

HF

Halogen-free

Classification

ETIM 9: EC000761
ECLASS 14: 27281101
UNSPSC 26.0801: 39131504

General technical data

Assembly method

0000000011000

Assembly method

Snap-fit system
