

Supplies for pictor² / pictor² Black

Product information

Ink cartridges

Surface etching ink has been developed to label polycarbonate signs, Monomatt (PC) and polyester or polycarbonate labels (ELW, ELG, ELPT, ELO perforated).

Glossy dummy cartridge

The glossy dummy cartridge serves as a place holder only. It is empty.

Services Set

The Service Set consists of ink collectors and fleece to absorb any ink residues left after installing the equipment and during the rinsing process.
