

Shield clip for metal edge SCB-EMV / SCBZ-EMV / SCBD-EMV / SCBZD-EMV

Product information

The steering components in today's machine, plant and control cabinet installations are becoming more and more complex.

A good EMC concept therefore gains increasing importance.

murrplastik earthing and cable shielding products are designed to meet the demands for low bleeder resistance at high frequencies.

murrplastik products are characterized by their very easy handling.

- Simple and tool-free installation on metal edges of 1.5mm or 2mm.
- The spring action provides uninterrupted contact pressure with the shield
- Excellent discharge of high-frequency noise current
- SCB-EMV: simple shield clip on a locking foot
- SCBZ-EMV: Shield clip with strain relief on a locking foot
- SCBD-EMV: two shield clips on a locking foot
- SCBZD-EMV: two shield clips with a strain relief on a locking foot

Information, conformities and approvals

Article	Order No.	Color	for shield of Ø mm	Strain relief	PU pcs.
