

## Type MMH (magnetic assembly tool)

### Product information

The magnetic mounting aid is used to hold the lock nuts on the control cabinet during installation. This helps to install all 24-pole cable entries quickly and easily and from just one side of the control cabinet.

### Information, conformities and approvals

Article	Order No.	PU pcs.
<b>Without centring aid</b>		
MMH	87661002	1
<b>With centring aid</b>		
MMH-Z	87661006	1

### Material properties

Polyamide 6

### Classification

ETIM 9: EC002624  
ECLASS 14: 27182815  
UNSPSC 26.0801: 39121312

All details given in our sales brochures and catalogues, as well as the information available online, are based on our current knowledge of the products described. The electronic data and files made available by Murrplastik, particularly CAD files are based on our current knowledge of the product described. A legally binding assurance of certain properties or the suitability for a certain purpose can not be determined from this information. All information with respect to the chemical and physical properties of Murrplastik products, as well as application advice given verbally, in writing or by tests, is given to the best of our knowledge. They do not release the buyer from the obligation to carry out his own tests and trials in order to determine the concrete suitability of the products for the intended purpose. Murrplastik accepts no responsibility for the available information being up-to-date, correct or complete. Neither do we accept responsibility for the quality of this information. Murrplastik accepts no liability for damage caused as a result of using our products.
